COOLED TRANSPORTED SEMEN PROCEDURES

Dear Mare Owner,

It is our privilege to be working with _____ owned by _____, for the 20__ Breeding Season. It is our goal to facilitate collection and shipment of quality semen to your mare from our stallions. Please follow the following guidelines and information regarding shipment requests from Wild Turkey Farm.

COLLECTION REQUESTS:

1. Mare owner or veterinarian should call Wild Turkey Farm when mare comes into heat with an anticipated date for collection; then follow up with final confirmation of ship date.
2. Stallions are collected Monday – Friday, emergency or weekend collections can be arranged but an extra \$150 will be charged.
3. Requests for collection **must** be made by 8 am the day of collection.
4. Semen is shipped by Federal Express (overnight) but Counter to Counter (same day) is available to most locations. \$75 airport courier fee will be charged.
5. Equitainers are to be returned to Wild Turkey Farm at the mare owner's expense within 7 days or a late fee will incur.
6. All stud fees must have been paid in full before semen will be shipped.

COLLECTION COSTS:

1. Collection/shipment costs - \$350 per collection
2. Equitainer Deposit - \$300 (this will not be charged unless Equitainer is damaged or not returned). It is the mare owner's responsibility to return the Equitainer. A late fee of \$25 per day will be charged for Equitainers not returned within 7 days.

SHIPPING OPTIONS:

1. Fed EX Overnight – Semen can be shipped Monday-Friday
2. Counter to Counter (includes airport courier fee and air bill for shipment.) A \$75 courier fee will be charged.

Thank you and we look forward to working with you and your mare for this Breeding Season.
