## FROZEN SEMEN PROCEDURES

Dear Mare Owner,

It is our privilege to be working with \_\_\_\_\_ owned by \_\_\_\_\_, for the 20\_\_ Breeding Season. It is our goal to facilitate shipment of quality semen to your mare from our stallions. Please follow the following guidelines and information regarding shipment requests from Wild Turkey Farm.

### SHIPPING:

1. Mare Owner faxes the Frozen Semen Request/Shipping form to WT by 1 pm PST the day before shipment.
2. Mare Owner provides WT with container deposit of \$750 which will not be charged to Owner's credit card unless the container is not returned within 7 days.
3. Rental for 1<sup>st</sup> shipment is \$400 (includes shipping, tank preparation and loading straws.) **WT will not ship semen until we have received the container deposit and payment for the first shipment's handling fee/tank rental**
4. WT ships the frozen semen along with detailed thawing and insemination instructions to mare owner/veterinarian.

Thank you and we look forward to working with you and your mare for this Breeding Season.
